

Direct Interior Solutions provide a comprehensive range of services within retail, following many years' of working within this fast-paced sector.

Providing general Joinery; Partitioning; Suspended Ceiling; Tiling; Shop-fitting, Kitchen and Washroom fitting out, we can undertake multiple trades directly, greatly increasing efficiency and aiding co-ordination on projects often associated with quick turnaround, yet still demanding a high quality product.

Recent work includes multiple projects for the Arcadia Group throughout the UK, within their Topshop and Dorothy Perkins brands.

We also undertake work for Lloyds Banking Group as part of their ongoing refurbishment programme, transforming the traditional branch into modern 'screenless' facilities.

With the quality of the brand reflected in the quality of the environment it occupies, Direct Interior Solutions know that delivering excellence first time round provides design consultants, main contactors and their clients with the standard of service they all appreciate.
