

DIRECT INTERIOR SOLUTIONS LIMITED

MANUFACTURE

At Direct Interior Solutions our team of qualified and experienced tradesmen are able to produce bespoke joinery items specific to your requirements. e.g.: Internal glazed screens, door-sets and IPS Systems.

Whether it's a new display window, a refurbishment of your existing store, or a new restaurant you're after, we can make it all.

From the installation of interior and exterior doors, to manufacturing and installing acoustic and fire rated screens, our team of onsite managers and tradesmen give a complete service, from concept to completion, providing efficient, practical solutions to all problems encountered. With our reputation for quality and an eye for detail, we'll provide you with a first class service.
